Concord Professional Services, Inc.

Concord Professional Services, Inc. (CPS) is a nationwide provider of administrative, technical and IT talent focused on Federal government project requirements. We incorporated in December of 1999, and are headquartered in Knoxville, TN. Through our 00CORP, Concord has supported over 20 Federal departments since inception in long-term endeavors to improve the quality and efficiency in which the Federal government achieves their mission objectives.

Since inception, Concord repeatedly has demonstrated the ability to enter new business environments, rapidly assess and understand customer needs, and solve problems for a diverse array of issues, agencies, and geographic locations. We have quickly established a reputation for excellence and customer satisfaction in managing contract demands for a sizeable, diverse workforce in locations across the U.S. At the same time, our history and that of our senior staff includes experience and demonstrated excellence performing senior-level technical and management consulting services to both government and commercial organizations. This combination of technical expertise in management, organization, and business improvement services combined with the depth and breadth of experience in government contracting provides an extraordinarily valuable resource for any government agency in its efforts to provide prompt and effective support.

Our Supported SIN(s) - Consultation Services (SIN 874-1 – formerly MOBIS)

Integrated Consulting Services Contractors shall provide expert advice and assistance in support of an agency's mission-oriented business functions. Services covered by this SIN include:

- Management or strategy consulting, including research, evaluations, studies, analyses, scenarios/simulations, reports, business policy and regulation development assistance, strategy formulation, and expert witness services
- Facilitation and related decision support services
- Survey services, using a variety of methodologies, including survey planning, design, and development; survey administration; data validation and analysis; reporting, and stakeholder briefings
- Advisory and assistance services in accordance with FAR 37.203
